January 2012 Newsletter

Happy New Year to each one, and I hope you had a lovely holiday season. As we start 2012, I hope we increase our membership attendance at our monthly meetings. We have several activities that will require everyone's support: Green and White Scholarship Luncheon, Reading Jubilee, and Red Dress Day.

Our Christmas Luncheon was enjoyed by everyone. Lois LaBeaud and her committee organized fun activities and special gifts. Following our celebration, we received the sorrowful news that our dearly beloved NAUW sister Barbara Young passed away. Eleven members from our Branch and two members from the Southwest Section attended the Necrology Ceremony and the funeral services for Barbara. Our members supported her family not only with our presence but with cards, beautiful flowers, and cakes for the repast. Well done sisters well done!!

Several of our members have been ill with colds and the flu. Mary Bailey was hospitalized, but has been released from the hospital. Please keep Mary and our ill members in your prayers.

We will hold our Membership Tea following our meeting in January. We are asking that each member invite a potential member to the meeting. Sandra Chefney, our 1st Vice President, will be planning a fun and informative program. **The Membership Tea will begin at 11:30 a.m. As a reminder, we will be meeting at the home of Virginia Hill on January 14th. Her address is 9300 5th Avenue, Inglewood. Executive Board meeting begins at 9:30 a.m. and General Meeting at 10:00 a.m.**

We will circulate two cards for members of our Branch who have special events happening in their lives. The cards are for Mrs. Jessicka Mears, who is expecting the birth of her son in February and Mary Bailey moving into her new home. It will be totally optional for members to give a love token or gift to these NAUW sisters.

Happy Birthday to the following members:

Joi Robinson-January 24th and Jessicka Mears-January 31st

Thank you all for your support and cooperation and I look forward to seeing you at the January Meeting-February 14th at 10:00 a.m.!!

Judy Washington-President, NAUW Inglewood Branch
