Southwest Sectional  
Director  
Dr. Essie French  
Preston  
Greetings my  
NAUW Sisters

Thank you! Thank you! For the opportunity to serve and represent you as Southwest Sectional Director for the past six years.

The Southwest Section has been a trail blazer in implementing National, Sectional and Branch activities. Branches are focusing on the "Five-Point Program" Initiatives which are Political Action & Awareness, Health & Wellness, Worldwide Impact, Educational Expansion & Development, and Historical Black Colleges and Universities. Accomplishments include: A second Branch was chartered in Liberia, African in 2018, Over \$80,000.00 within six years have been awarded to high school graduates to continue their education at a four year college or university; six scholarships for \$1,000.00 were given to a student pursuing a Master degree in Education, over 30,000.00 volunteer hours have been provided by members of the branches toward literacy and reading; over \$5,000.00 have been donated to international projects; Monetary contributions and time have been donated toward Habit for Humanity, Cancer research, HIV/AIDS, Sickle Cell, and EBOLA. The Southwest Section website has been an inspiration and serves as a means to keep the section informed as well as emails.

As Sectional Director I have attended National Conventions and Board meetings to ensure that our Section was in full compliance with National Initiatives. We have won awards and certificates for our support of National Projects. The Southwest Section showed up and showed out at the 71<sup>st</sup> National Convention held in Los Angeles, California. These accomplishments were made with the members of the Southwest Section serving as a unified team. The branches provide Youth programs such as Toys for Tots, Back Pack give away, Rites of Passages, Financial Aid workshops and Science, Technology, Engineering and Mathematics (STEM) tutoring have been implemented by the branches. Great job! A program guide was written, entitled. "NAUW Light" for developing a youth program

Our National Theme, "A Legacy of service and Commitment in Action" exemplify the tenacity that the women in 1969 showed when they established the Southwest Section. I am sure that our Founders are resting in peace with the joy of knowing that their dream became a reality and is spreading throughout the world.
